HOLLOWAY'S OINTMENT

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thouspean. Chemist, Liverpool, dated August 20th, 1852.

To Professor Holloway.

Dear Star I am enabled to funds you with a most extraordinary care effected by your invaluable Cint ment and Phits; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his borse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an intimate of different infirmaries, yet he grew worse, and at lost a medigmant running aleer settled in his hip, which so completely crippled him, that he could not nove without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now heated the wound, strengthened his limb, and enabled him to diapense with his crutches, so that he can walk with the greatest ease, and with renewed health and viguor.

To Professor Holloway,

Draw Sia,—Among the numerous cures effected by the use of your valuable medicines in the neighborhood we may mention that of an old lady living in the Villege of Preston, about five nules from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an adarming extent as to defy all the usual remedies; her health rapidly giving way under the suifering sike endured. In this distressing condition she had recourse to your Oniment and Pilla, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect oure. We have ourselves been greatly autonished at the effect upon so old a person, she being above 36 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by leace.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbotic affection in the face, after all other means had failed. He states that at is entirely by the use of your Cantment, and speaks leady in its praise.

We remain, Dear Sir,

Yoursefaithing,

April 6th, 1852. (Signed) WALKER, & CO. The Pills should be used conjointly with the Ointment in most of the following cases:—
